

HIGHER EDUCATION
FUNDING AND ACCESS IN
INTERNATIONAL
PERSPECTIVE

Great Debates in Higher Education is a series of short, accessible books addressing key challenges to and issues in Higher Education, on a national and international level. These books are research informed but debate driven. They are intended to be relevant to a broad spectrum of researchers, students and administrators in higher education, and are designed to help us unpick and assess the state of higher education systems, policies and social and economic impacts.

Published Titles:

Teaching Excellence in Higher Education: Challenges, Changes and the Teaching Excellence Framework

Amanda French and Matt O'Leary

British Universities in the Brexit Moment: Political, Economic and Cultural Implications
