

Appendix 1: List of MOCHA Scientists

Work Package 1: Identification of Models of Children's Primary Health Care

Mitch Blair	Imperial College, London, UK
Barbara Corso	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Ingrid Wolfe	King's College, London, UK
Daniela Luzi	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy, Rome, Italy
Denise Alexander	Imperial College, London, UK
Fabrizio Pecoraro	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy, Rome, Italy
Filipa Ferreira	University of Surrey, UK
Harshana Liyanage	University of Surrey, UK
Helen Wells	Keele University, UK
Ilaria Rocco	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Kinga Zdunek	Medical University of Lublin, Poland
Manna Alma	University Medical Center Groningen, Netherlands
Michael Rigby	Imperial College, London, UK
Nadia Minicuci	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Oscar Tamburis	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Peter Schröder-Bäck	Maastricht University, Netherlands
Rosie Satherley	King's College, London, UK
Sapfo Lignou	King's College, London, UK
Simon de Lusignan	University of Surrey, UK
Tamara Schloemer	Maastricht University, Netherlands
Uy Hoang	University of Surrey, UK

Work Package 2: Interfaces of Models of Primary Health Care with Secondary, Social and Complex Care

Maria Brenner	Trinity College Dublin, Ireland
Anne Clancy	University of Tromsø, Norway
Austin Warters	Trinity College Dublin, Ireland
Colman Noctor	Trinity College Dublin, Ireland
Daniela Luzi	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Eleanor Hollywood	Trinity College Dublin, Ireland
Elena Montañaña Olaso	Trinity College Dublin, Ireland
Fabrizio Pecoraro	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Harriet Hiscock	Murdoch Children's Research Institute, Australia
Ingrid Wolfe	King's College, London, UK
Jay Berry	Boston Children's Hospital
Keishia Taylor	Trinity College Dublin, Ireland
Miriam O'Shea	Trinity College Dublin, Ireland
Oscar Tamburis	Trinity College Dublin, Ireland
Phil Larkin	University College Dublin, Ireland
Rebecca McHugh	University College Dublin, Ireland
Stine Lundstroem Kamionka	University of Southern Denmark, Denmark
Tricia Keilthy	Trinity College Dublin, Ireland

Work Package 3: Effective Models of School Health Services and Adolescent Health Services

Danielle Jansen	University Medical Center Groningen, Netherlands
Annemieke Visser	University Medical Center Groningen, Netherlands
Eline Vlasbom	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands

(Continued)

Johanna P. M. Vervoort	University Medical Center Groningen, Netherlands
Magda Boere-Boonekamp	University of Twente, Netherlands
Sijmen A. Reijneveld	University Medical Center Groningen, Netherlands
Paul Kocken	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands
Pierre-André Michaud	University Hospital of Lausanne, Switzerland
Simon van der Pol	University Medical Center Groningen, Netherlands

Work Package 4: Identification and Application of Innovative Measures of Quality and Outcome

Nadia Minicuci	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Barbara Corso	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Daniela Luzi	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Fabrizio Pecoraro	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Gary Freed	Murdoch Children's Research Institute, Australia
Ilaria Rocco	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Oscar Tamburis	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy

Work Package 5: Identification and Use of Derivatives of Large Data Sets and Systems to Measure Quality

Simon de Lusignan	University of Surrey, UK
Filipa Ferreira	University of Surrey, UK
Harshana Liyanage	University of Surrey, UK
Uy Hoang	University of Surrey, UK

Work Package 6: Economic and Skill Set Evaluation and Analysis of Models

Heather Gage	University of Surrey, UK
Anne Clancy	University of Tromso, Norway
Daniela Luzi	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Ekelechi MacPepple	University of Surrey, UK
Fabrizio Pecoraro	CNR Institute of Research on Population and Health Policy (IRPPS), Rome, Italy
Filipa Ferreira	University of Surrey, UK
Graham Cookson	University of Surrey, UK
Nadia Minicuci	CNR Institute of Neuroscience (CNR-IN), Padua, Italy

Work Package 7: Ensuring Equity for All Children in all Models

Anders Hjern	Karolinska Institute, Sweden
Arzu Arat	Karolinska Institute, Sweden
Sharon Goldfeld	Murdoch Children's Research Institute, Australia

Work Package 8: The Role of Electronic Records and Data to Support Safe and Efficient Models

Michael Rigby	Imperial College London, UK
Adamos Hadjipanayis	European University of Cyprus, Cyprus
Fabrizio Pecoraro	CNR Institute of Neuroscience (CNR-IN), Padua, Italy
Filipa Ferreira	University of Surrey, UK
Geir Gunnlaugsson	University of Iceland, Iceland
Grit Kühne	Imperial College London, UK
Shalmali Deshpande	Imperial College London, UK
Simon de Lusignan	University of Surrey, UK

Work Package 9: Validated Optimal Models of Children's Prevention-orientated Primary Health Care

Paul Kocken	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands
Eline Vlasbom	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands
Gaby de Lijster	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands
Janine van Til	University of Twente, Netherlands
Kinga Zdunek	Medical University of Lublin, Poland
Kyriakos Martakis	Maastricht University, Netherlands
Magda Boere-Boonekamp	University of Twente, Netherlands
Mitch Blair	Imperial College London, UK
Michael Rigby	Imperial College London, UK
Nicole van Kesteren	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands
Peter Schröder-Bäck	Maastricht University, Netherlands
Renate van Zoonen	TNO (Netherlands Organisation for Applied Scientific Research), Netherlands
Tamara Schloemer	Maastricht University, Netherlands

Work Package 10: Dissemination

Michael Rigby	Imperial College London, UK
Adamos Hadjipanayis	European University of Cyprus, Cyprus
Christine Chow	Imperial College London, UK
Danielle Jansen	University Medical Center Groningen, Netherlands
Denise Alexander	Imperial College London, UK
Kinga Zdunek	Medical University of Lublin, Poland
Maria Brenner	Trinity College Dublin, Ireland
Mitch Blair	Imperial College London, UK
Peter Schröder-Bäck	Maastricht University, Netherlands

Work Package 11: Project Management

Mitch Blair	Imperial College London, UK
Bernardo Hourmat	Imperial College London, UK
Christine Chow	Imperial College London, UK
Denise Alexander	Imperial College London, UK
Michael Rigby	Imperial College London, UK

MOCHA External Advisory Board
