It has been brought to the attention of the publisher that the paper “The power of localism during the long-term disaster recovery process”, Victor Marchezini (2018), published in *Disaster Prevention and Management: An International Journal*, was excluded from the special issue “Disaster prevention – doing it differently by rethinking the nature of knowledge and learning” due to an editorial error.

The paper has now been included in *Disaster Prevention and Management*, Vol. 28 No 1. When citing the paper, the citation should be given as Victor Marchezini (2019), “The power of localism during the long-term disaster recovery process”, *Disaster Prevention and Management: An International Journal*, Vol. 28, No. 1, pp. 143-152, <https://doi.org/10.1108/DPM-05-2018-0150>

Emerald sincerely apologises to the authors for any inconvenience caused.
