

ACKNOWLEDGEMENTS

Prior to publishing this volume, the editors hosted a two-day workshop (October 7–8, 2015, on the topic of Global Entrepreneurship in Denver, Colorado. The conference was co-sponsored by the Leeds University Business School, Colorado State University, and Emerald Group Publishing. The workshop gave the opportunity to the authors to present, refine, and integrate their ideas. The editors would like to thank all the conference participants – authors, discussants, and attendees – for their valuable time and contributions, which greatly enhanced the quality of the volume. The editors would also like to extend their gratitude to Hannah Preston for her work in pulling this volume together and Martyn Lawrence for his support over the years.
