# AIMS AND SUBMISSION GUIDELINES

*Advances in Hospitality and Leisure (AHL)*, a double-blind peer-reviewed journal published annually since 2004, attempts to promote seminal and innovative research outputs about hospitality, leisure, tourism, and lifestyle. Specifically, this journal encourages researchers to investigate new research issues and problems that are critical but have been largely ignored while providing a forum to disseminate singular thoughts and advance empirical undertakings theoretically and methodologically.

This 18th annual volume entails nine full papers. As for data collection, five articles deploy a qualitative study and four articles rest on a quantitative approach. The contributors to the present issue come from eight nations, entailing Australia, Germany, Ghana, The Netherlands, Norway, Taiwan, The United Arab Emirates, and The United States of America.

For submission to future issues, please review the following guidelines.

*Manuscript's Originality:* It should represent an original work that has never been published elsewhere or is considering publication elsewhere

*Style and Length of Manuscript:* 12 pt. Times Roman font; double spacing; APA; 7,000 words (Full Paper) or 4,000 words (Research Note).

*Layout of Manuscript:* First page: title of paper and author contact information; second page: title of paper, an abstract of 120–140 words, and keywords; third page and beyond: main text, appendix, references, figures, and tables.

*Text of Manuscript:* For literature review articles, please include an introduction, critical literature review, problems in past research, and suggestions for future research. For empirical research papers, please include an introduction, methods, findings and discussions, and a conclusion.

*AHL* requires electronic submission. Please send an email attachment with a Word format to the editor Dr Joseph Chen ([joechen@iu.edu](mailto:joechen@iu.edu)) or send a CD to Tourism, Hospitality and Event Management, Department of Health and Wellness Design, School of Public Health Building #133, Indiana University, Bloomington, Indiana 47405-7109, USA.
