

## ACKNOWLEDGEMENTS

This volume is a revised and augmented edition of *La Finance Autrement? Réflexions critiques et perspectives sur la finance moderne*, Presses Universitaires du Septentrion 2015 – France

The volume editors would like to thank all those that have engaged with and contributed to this volume. In particular individual chapter authors deserve praise and thanks for engaging so willingly with this project.

Many thanks also to AG2R LA MONDIALE and its strong support since 2008, in particular Philippe Dutertre, Frédéric Duchadeuil, Jean-Michel Foucque along with Patrick Viallanex and Robin Edme.

The editors and authors acknowledge the translation from French to English performed by Technics Translation.
