

SUBJECT INDEX

- Academic achievement, 49–50
- Academic development, 122–123
- Academic results, 78
- Academic skills, 78, 104, 122
- Acadia University, 152
- Aftercare and enrichment program (AE program), 16
- Aging process, 52
- American Indian, 139, 140, 143
- Art, 123
 - education, 123
 - forms, 121
 - station, 125–126
- Articulate Learning, 42
- Arts-based educational research
 - approach (ABER approach), 120–121
- Asset-based community-led development, 19, 22
- Assisted living, 51, 53, 54
- Association for Persons with Physical Disabilities (APD), 20
- Atlas. ti project, 90, 156
- Between-group factors, 154
- Blackboard, 87
- Blogging, 9, 138, 139, 140
- Blood pressure (BP), 140
- Built Environment and Information Technology (EBIT), 86
- Business enterprises, 103
- Campus Compact, 62
- Canada
 - action research case study, 152
 - Community Campus Engage Canada*, 152
 - undergraduate university in, 9
 - union contracts in, 160
- Cape Peninsula University of Education (CPUT), 130
- Case study, 129
 - arts-based approach, 129
 - childhood disability and mental health, 19–21
 - community psychology, 18–19
 - developmental psychology, 16–18
 - Service Learning Project in Flensburg, Germany, 103–108
- Center for Community Engagement and Work Integrated Learning, 124
- Cerebral palsy (CP), 20
- Charity-based model, 14
- Child health, 141
- Childhood disability, 19–21
- Citizenship, 28, 34, 67
- City of Tshwane, 88
- Civic learning, 48
- Civic-social competences, 77–78, 82
- Civil society, 104, 106, 112
- Co-created partnerships, 157
- Co-development
 - of class, 37
 - by community partners and students, 42
- Collaboration readiness questions, 154
- Collaborative service-learning
 - art station, 125–126

- background and development of
 - program, 123–125
- challenges experienced by
 - stakeholders, 131–132
- community engagement, 120–121
- conceptual framework, 121–123
- findings, 130
- Human Movement station,
 - 126–127
- methodology, 129–130
- reading station, 127–128
- value of day, 130–131
- wellness station, 129
- writing literacy, 128–129
- Collaborative work, 16, 81–82
- Commitment, 157
- Communication campaigns, 108
- Communities of practice, 158
- Community Based Participatory
 - Research, 129–130
- Community engagement (CE), 4, 12,
 - 120–121, 151–152
- Covid-19 in South Africa, 87–89
- developments in community
 - engagement theory and practice, 152–153
- findings, 156
- findings, 90–95
- focus groups, 155
- institutional assessment of
 - community, 163–165
- institutional supports and barriers,
 - 159–163
- investigating Acadia's community
 - engagement capacity, 155–156
- limitations, 95
- methodology, 90, 154
- power and positionality of
 - university, 156–159
- program framework for CE day,
 - 122
- reciprocity and mutual benefit in
 - literature, 153–154
- reflection assignments, 86–87
- and social perspectives, 48
- in South Africa, 87
- Community First: Impacts of
 - Community Engagement (CFICE), 153
- Community health promotion, 136
- Community Impact Scale, 153, 165
- Community norms, 37
- Community partnerships, 136
- Community psychology, 18–19
- Community-based Project, 86
- Community-based service learning
 - (CBSL), 5, 12–13
- childhood disability and mental
 - health, 19–21
- community psychology, 18–19
- developmental psychology, 16–18
- engagements, 22
- findings, 15
- investment in, 21–22
- methodology, 14–15
- psychological assistance, 23
- relevant literature, 13–14
- Community-university partnerships
 - (CUPs), 151–152
- Comunicar*, 62
- Conference of Rectors of Spanish
 - Universities (CRUE), 62
- Conscientizacon, 156–157
- Contextual factors, 154
- Continuing Care Retirement
 - Community (CCRC), 51
- Continuous design thinking process,
 - 109
- Contracting, 22
- Coronavirus Disease 2019 (COVID-
 - 19), 87
- in South Africa, 87–89
- Critical consciousness, 14, 22
- Critical hope, 166
- Critical reflection, 4, 30, 41
- Critical thinking, 4
- Critical-service-learning, 29

- carefully curate readings and other media to represents multiple viewpoints, 37–38
- challenges to implementing service-learning pedagogies, 28–29
- creating final product co-developed by community partners and students, 42
- DEAL model to assess student learning and community partner outcomes, 41–42
- design assignments to reinforce critical-service learning goals, 38–40
- design course assignments and LOs to explicitly tie service learning, 34–36
- design critical-service-learning experience, 40–41
- engage long-term partners regularly through codevelopment of course outcomes, 36–37
- experience, 37
- Food Systems and Metabolic Rift* course, 33–34
- framework in action, 33
- proposed framework for, 30–33
- Cross-case analysis, 15
- Cross-faculty service-learning project, 120
- Cultural activities, 142–144
- Culture, 106, 123, 136, 146, 147, 153, 160, 164
- Curricular knowledge, 78
- DEAL framework, 30–31, 41–42
- Debriefing, 164
- “Deepens” learning, 31
- Deficit perspective, 102
- Deficit-oriented perspective, 29
- Democratic civic engagement model, 154
- Democratic community engagement, 153
- Democratic engagement, 48, 154
- Department of Education (DoE), 87
- Department of Health (DOH), 20
- Department of Higher Educational and Training (DHET), 87
- Design thinking, 35, 105
- Developmental psychology, 16–18
- Dialnet database, 66
- Dialogue, 30, 34, 157, 164, 166
