
Retraction notice: Enhanced gray wolf optimization for estimation of time difference of arrival in WSNs

International
Journal of
Pervasive
Computing and
Communications

187

The publishers of *International Journal of Pervasive Computing and Communications* wish to retract the article E., D. and A., S. (2022), “Enhanced gray wolf optimization for estimation of time difference of arrival in WSNs”, *International Journal of Pervasive Computing and Communications*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/IJPC-05-2022-0181>.

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald’s publishing ethics and the COPE guidelines on retractions.

The authors of this paper would like to note that they do not agree with the content of this notice. The publishers of the journal sincerely apologize to the readers

The retracted article can be found at: <https://doi.org/10.1108/IJPC-05-2022-0181>.
