
Retraction notice: The role of metaverse and blockchain in enhancing digital islamic finance: empirical perspective

Journal of Islamic
Marketing

The publisher of *Journal of Islamic Marketing* wishes to retract the article Al-Okaily, M. and Alsmadi, A.A. (2024), “The role of metaverse and blockchain in enhancing digital Islamic finance: empirical perspective”, *Journal of Islamic Marketing*, Vol. ahead-of-print No. ahead-of-print. <https://doi.org/10.1108/JIMA-11-2023-0369>. It has come to our attention that there are statistical errors present within the article. Specifically, the results of both the measurement model and structural model do not conform to the results reported in the article. As part of an investigation into these concerns, the authors were requested to provide a copy of the data so that the editorial team could verify the findings. The authors cooperated with the investigation, but were unable to address the identified discrepancies; the editorial team were also unable to verify the article’s findings. As a result of these concerns, the findings of the article cannot be relied upon. The authors sincerely apologize to the readers.

The retracted article is available at: <https://doi.org/10.1108/JIMA-11-2023-0369>
