

Index of Subjects

- Administrative incentives 98–99
- Aid to Families and Dependent Children (AFDC) 116–117, 120, 134, 142, 148n
- American Constitution 103
- American government 103–106, 116
- Approved Investment Scheme (AIS) 296
- Arena 58–59
- Assembly Bill 8 (AB8) 140
- Audit Commission 238–239

- Beilenson Act 139
- Belgian Constitution 155
- Belgian government 17,
153–188
 - budgets 167–168
 - communal councils 156, 159, 181
 - communal funds 182
 - expenditures 182
 - revenues 182
 - communities 16–17, 155–159
 - expenditures 175–177
 - revenues 157–158, 168–173
 - complexity 164, 182, 184
 - fiscal 183
 - functional 184
 - institutional 182–83
 - decentralization 160–161, 182
 - expenditures 165–168
 - fiscal structure 164–173
 - reforms 182–183
 - levels 154, 182
 - provincial governments 159–160
 - expenditures 178–181
 - revenues 181–182
 - regions 16–17, 155–159
 - expenditures 176–177
 - National Solidarity Grant 171–172
 - revenues 157–158, 168–173
 - revenues 164, 165
- Belgium 16–17, 153–160
 - Brussels-Capital Region 161–163
 - decentralization process 16–17
 - reform process 155–156
- Block grants 5, 92
- Britain 211–219
 - education 219–222
 - centralization and decentralization 219–222
 - housing 222–224
 - centralization and decentralization 224
 - public spending 217–219, 232–239
- British government 211, 212–214
 - central government 212–213
 - expenditures 227–230
 - fiscal structure 225–234
 - functions 214–217, 219–222
 - levels 214–217, 219–222
 - local government 211, 217–225, 240
 - allocation of 217–225
 - decentralization of functions 224–225, 239
 - finance 229–231
 - spending 232–239
 - revenues 225–227
 - sources of 225–227
- Bumiputera 190, 193
- Bureaucracy 37–39, 275–276

- California 14–16, 110–112
 - direct democracy 123, 145
 - provision of health care 106–107, 133–142
 - county 135–142
 - suboptimal level 137–138
 - social safety 118–119
 - taxes 15–16, 126–127
 - income 126
 - other 126
 - property 127

- sales 126
- Californian Constitution
 - 14–15, 126
- Californian government
 - 112–119
 - cities 14–16, 113, 126–27
 - counties 15–16, 133–116, 126–133
 - revenues 128–129, 141–142
 - expenditures 114–117, 132, 145
 - federal retrenchment 127–132
